CrossPollination Ministries is a relatively new resource that teaches ordinary people to share the Gospel in the context of personal relationships. It may be new to many of us, but CrossPollination is a cadre of resources being practiced, taught, and caught by people across the country. Rev. Brad Aldrich is an LCMS pastor and founder of this organization and resource. He is an evangelist, who daily engages the people he meets with the Gospel of Jesus Christ. Contact Rev. Brad Aldrich at bradaldrich@aol.com or 214-733-9582.
