Registration is \$10 per person, which covers the cost of the training and lunch. Please register by May 19. At the close of the program, participants will be added to the list of equipped LERT trainers to be called to assist in training events in the Kansas District. This training is hosted by the LCMS Kansas District and will be facilitated by the NE Training Team.

Together we will walk through a simple training program designed to help us serve as trained Christian volunteers when a disaster strikes. At the center of the LERT volunteer training is one thing—MERCY! Christ’s mercy is the basis for everything we say and do.
