Jeremiah 31:25

The Kansas District Retreat Center is a marvelous building conveniently located on nine acres adjacent to Lake Herington in central Kansas.

The primary purpose of the Retreat Center is to provide a relaxing and peaceful atmosphere where professional church workers can rest and reconnect with God and their family. However, any LCMS Kansas District congregational group or member may use the facility.

Our goal is to have this retreat center be affordable and home-like, yet able to accommodate extended families or groups; be secluded and accessible to all, yet close to civilization and near many activities.

This 3,000 square foot center is very versatile, with enough private space for rest and enough open space for family. Whether you are looking for a place to get away by yourself or you are planning a family reunion or church staff/youth retreat, the Retreat Center can accommodate your needs.

The first floor includes a kitchen, dining room, laundry facilities, half bath, great room with fireplace and a beautiful view, prayer room, library and two suites:

- Harvest Suite - two bedrooms with queen beds, two full bathrooms (one is handicap accessible), and sitting room with a full size pull-out couch
- Garden Suite - two bedrooms, one with queen bed and one with a full bed & a twin size bunk bed, two full bathrooms (one with garden tub, one with shower), and sitting room with a queen pull-out couch, and a crib

The basement has a huge multipurpose room that can be divided into two large areas, kitchenette, two half baths, and one suite:

- Water's Edge Suite - two bedrooms with queen beds, one bedroom with a full bed & a twin size bunk bed, two full bathrooms (tub & shower), and sitting room
