

Primary Adults:

Please make sure that you have the proper medical consent and media release forms for each participant with you when you arrive to the KS District Confirmation Retreat.

If you do not have the forms, there are examples available on the District's website (kslcms.org) under the "Education & Youth" tab.

It is the policy of the District Youth Ministry Team that sponsors shall be adults at least 21 years of age who have been endorsed by the pastor and/or leadership of their home congregation. The District requires congregations to obtain screening and background checks for adult sponsors and assistants. Please make sure that all your adults have background checks on file with your church.

Thank you all for attending! We can't wait to share this event with you!!
