Rev. Alan Stahlecker led our devotions, based upon Matthew 6:24–34 and the First Petition of the Lord's Prayer. He preached on God's care for our bodies and souls. We can trust God to take care of our lives, because He upholds all creation and cares that even the lilies of the field are clothed and birds are fed, both of which are insignificant compared with the value He places on us, whom He has purchased and redeemed by Jesus's blood.

The minutes for the previous regular Board meeting and two special Board meetings were approved as sent.

Staff and Board Reports

Rev. Justin Panzer, President, presented his report. He highlighted the two congregations that are chartering as LCMS member congregations: Redeemer, Lake Wabaunsee and Zion, Concordia. He noted that the Retreat Center has been sold, and an ad hoc committee will be set up to consider the wise stewardship of the funds from that sale. Partnership conversations continue apace throughout the District. There are many good examples of congregations choosing to partner and work together in the mission field.

Mr. Curt Engelbrecht, chair of the Board of Caring Ministry, presented the report from their meeting yesterday. He noted their conversations with Donna Williams, the Kansas District Disaster Response Coordinator. She has lost two of her three chainsaw trainers, so she is looking to onboard new leaders. Also, LERT is looking to purchase a small Bobcat skid steer that can go into backyards to clean up debris. There may be a grant from the Synod to help purchase a skid steer with a dump trailer. The MT-100 version is also used across other LCMS districts, which would help with its maintenance and sharing with other LERT teams for joint disaster relief operations.

Rev. Grams began by informing us of his discussions with the State of Kansas Board of Education to allow accreditation for our Lutheran schools in Kansas through KESA 2.0, and to use NLSA for our accreditation body. He hopes to have an agreement in place by February. Dan has given presentations to a number of schools, winkels, and conferences about the Kansas Lutheran Schools Scholarship Foundation. He noted that so far KLSSF has received 17 donations totaling \$78,127.

Dr. Schultz, chair of the Board of Education and Youth, delivered its report on Lutheran schools, youth ministry, and parish education. He noted that hotels are becoming too expensive for our youth events; the Board is looking to host youth at Rock Springs or at various congregations to be better stewards of the money to host these youth events.

Rev. Dan Grams gave the report for the Board of Missions. He highlighted his discussions with Hillside Community Lutheran Church (NALC) in Spring Hill, Kansas. The congregation is small and is open to entertaining a sale of their property. He has discussed with them the difference between the LCMS and the NALC. Although their church would not be folded over into an LCMS congregation, we are hopeful that the LCMS can plant a brand-new church in Spring Hill and work with the Hillside members as much as can be possible. He also highlighted the work at Immanuel, KCK by Daniel Jordan. They have received District funds to support the Hispanic ministry in KCK. He is working with area pastors to mentor Daniel and support his work with local funds. He reported on West Africa / Africa missions and what the future might be for our support of international missions.

The Mission Grant cycle had increased applicants. There were 37 total requests, including those who were not required to submit because of funds available from other sources. We had \$152,000 available, not including funds available from other sources. There were \$129,000 in requests, in addition to \$110,000 from other sources. He led us through the grant requests and the rationale for each.

Mr. Jeff Maltz, LCEF Vice-President, presented his report. He and three delegates from Kansas are currently at the LCEF Annual meeting in St. Louis. There have been no loans approved or paid off in this quarter.

Mrs. Heather Williams gave her report. She noted the work done by Krause Mechanical to understand and diagnose the issues with the AC units. In studying the system, he discovered that half of our VAV boxes and the controls were inoperable. His suggested repairs will likely result in great energy savings. She noted the groundwater issues in the basement sprinkler riser room; investigations to the cause are continuing. She noted that the audit has been completed, and we received an unqualified (clean) opinion and no management comments or deficiencies. Synod Convention assessments are already arriving. She reported on Planned Giving presentations, Treasurer Workshops, and the Estates.

Heather also gave the Treasurer's report for Brad Brunkow. She presented the financial dashboard, the balance sheets, the statement of activities, the budget-to-actual tables, and the financial asset planning sheet.

Dave Bruns, chair of the combined Boards of Administration and Stewardship, gave its report. He noted the offer for the property of Hillside Community Lutheran Church as we look to plant a church in Spring Hill. He also noted that the allocation for the Ash Wednesday Offering will look slightly different, as 25% will be designated to support grants for potential future church workers to visit CUS schools and seminaries.

Heather presented the 2026 Draft Budget. She answered questions regarding the operating and special/project budget columns.

Ms. Jackie Schaefer, Communications Specialist, presented her report. Much of her work this quarter has involved updates to the website and setting up event sign-ups.

Rev. Joshua Woelmer gave a report on the upcoming Synod convention and the voting and advisory delegates that have been elected by circuit forums. He gave an update on the Congregational Constitutions & Bylaws Review Committee and the District Bylaws & Operations Manual Committee. He provided an update on the LCMS Task Force for Circuit Parameters, and he noted his attendance at the LCMS District Secretaries' Orientation.

Unfinished Business

The Board noted the sale of the Retreat Center and the ongoing conversation regarding the use of the funds from that sale.
