RE: LCEF Outreach Ministry Grants

The mission of the Lutheran Church Extension Fund is to support the Lutheran Church—Missouri Synod by ensuring that financial resources and related services are available now and in the future. Strong investors and faithful borrowers bless LCEF. It is a partnership that is working, and through the continued blessings of our Lord, LCEF is pleased to make available up to \$32,000 in LCEF Outreach Ministry Grants to congregations, schools, and other LCMS organizations within the Kansas and Oklahoma Districts.

Grants will be awarded in amounts up to \$500.00. Matching funds and cooperative efforts with other groups are highly desirable in this effort. \*NOTE\* Final awards will be based on the number of applications received.

LCEF is making funds available to help make your local outreach event a reality. There will be a limit of one (1) application per congregation, school, or Recognized Service Organization. If you want to use the grant for multiple events, be sure to include details on each event in your one (1) application.

We ask that you pass copies of this material on to:
