

Primary Adults:

Please make sure that you have the proper medical consent forms for each participant with you when you arrive to the KS District Confirmation Retreat (We will check). If you do not have a form, there is one available on the district website. Click on the Education & Youth section on the website, then click Youth Ministry in the dropdown. The forms are located on both the main Youth Ministry webpage and the Confirmation Retreat webpage. This is a new policy adopted by the District Youth Ministry Team: Sponsors shall be adults at least 21 years of age who have been endorsed by the pastor and/or leadership of their home congregation. The District requires congregations to obtain screening and background checks for adult sponsors and assistants. Please make sure that all your adults have background checks on file with your church. Thank you all for attending and we can't wait to share this event with you!
